# PURE WELLNESS COLLECTION

## SKINCARE ESSENTIALS TO SUPPORT COMPROMISED SKIN

### SUMMARY

An effective skincare regimen is an essential part of maintaining skin health during the treatment of cancer. The products included in the PURE WELLNESS COLLECTION were specifically selected and used successfully by active cancer patients during treatment for over a decade. The PURE WELLNESS COLLECTION addresses common visible skin side effects associated with cancer and cancer therapies.

### BENEFITS

Deep-cleanses skin and pores without drying

Helps revitalize the appearance of compromised skin

Delivers intensive, penetrating hydration

Provides unprecedented multilevel protection
